Fall 2021

Aliens, Atlantis and Archaeology*
ANTH 1001-601 DE
CRN 81559
(Asynchronous with Specific Due Dates)

Questions? Contact: Dr. Laura Mazow
Mazowl@ecu.edu

Topics Explored:
• Did Aliens build the Egyptian pyramids?
• Where is the lost city of Atlantis?
• Mermaids? Loch Ness Monster? Giant petrified humans?

In this class you will:
• Learn how to assess claims about the human past.
• Understand how knowledge is accumulated.
• Recognize mistakes we make in our thinking

There are many different possible reconstructions of the past. Not all of them are equally plausible!
